To Whom It May Concern:

For many years, Fay Block has been my firm's vendor for brick/block. During this time, I have found Fay Block to provide high quality products at reasonable prices. They have always met deadlines and have been forthcoming with adjustments and corrections when necessary.

In addition, the employees of Fay Block are always a pleasure to deal with. I have always found them cordial and knowledgeable. Fay Block has "gone the extra mile" for us on many occasions. We are highly appreciative of the service and product quality of which Fay Block provides. Please feel free to contact us with any questions.

Sincerely,

Leah P. Quinn
