To Whom It May Concern:

J.E. Womble and Sons has enjoyed a business relationship with Fay Block Materials for over 60 years. As one of our largest and most vital vendors, Fay Block consistently delivers great products with exceptional service, and has done so for the 60 years we have been doing business. We see this service across all different levels of our mutual organizations, from shipping and receiving to billing to inside and outside sales. Our sales manager, Mr. John Foley, leads the Fay Block team for our business and is a true professional in every sense of the word.

I cannot think of a time where Fay Block failed to meet our needs in a timely and professional manor. They are simply one of our best vendors, and we hope to continue doing business with them for another 60 years and beyond.

Please do not hesitate to contact me directly if I can be of any further assistance regarding Fay Block and the superior way in which they do business.

Best Regards,

Mr. Ray Womble Jr.

President, J.E. Womble and Sons
